

► **747-CCP CABLE STRIPPER**

Hand Held or Fixed Position Capability

► **FEATURES**

- Can be used as a bench mount stripper with foot pedal operation by attaching the hand held unit to the snap-in mounts on the power supply.
- By removing the tool from the power supply snap-in mounts it can be used as a hand held stripper.
- Reduces stripping time, with less effort required than manual strippers.
- Ergonomically designed.
- Made to be used for high volume applications, on-site locations, where AC power is available.
- Affordable, precise, and rugged, Coastel Quality Built.

See 700 Series Port-a-Strip for additional product information
