

Limited 90 Day - 1 Year Warranty

Effective 03/21/01

Coastel Tools makes every effort to assure that its products meet high quality, precision and durability standards. We warrant to the original purchaser, for a period of ninety days from date of purchase, that the motor, belts, drives, blades, and other moving wearable components are free of defects in materials and workmanship.* We also warrant to the original purchaser, for a period of one year from date of purchase, that all other parts and components of the product are free from defects in materials and workmanship. **This limited warranty covers all products sold as of March 21, 2001, and supersedes all prior warranties, either expressed or implied.***

This warranty does not apply to damage due directly or indirectly to misuse, abuse, negligence or accidents; repairs or alterations outside our factory; or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our products. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the limitation of exclusion may not apply to you.

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the product. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

**The warranty covers the CT-3 Saw, CT4 Pneumatic Tool Holder, CT5 Drill, and all Coastel wire and cable stripping and cutting products*
