

# A Better Way to Process Coaxial Cable

**For:** Telecommunications, AV, Broadcast, RF systems, MIL/Scientific, Avionics, Aerospace, Utilities, Cable Assemblies, *and more...*

*from* – **Coastel** – **made in USA**

## PERFECT FOR:

- Coaxial Cable
- Triaxial Cable
- Semi Rigid Cable
- Helix Cable

Model #715 Port-a-Strip Kit

## PRECISE - PORTABLE - PERFECT

### APPLICATIONS:

*Voice*  
*Video*  
*Data*  
*Signal*

#725 Power Battery Driver  
w/Battery Pack

### WHAT OUR PRODUCTS DO:

- Any application where multiple **Coaxial connector terminations** are being made
- Applications that are difficult, yet require extreme precision, for example: **Telecommunications, Microwave/RF/ Broadcast Systems, etc.**
- Ideal for Production Personnel, or field tech's., Can be set up for portability or Bench Top use.
- **Our tools compromise nothing when comparing precision and quality to higher priced cable/wire processing tools.**
